

## Hammond Clinic Charities

The Hammond Clinic is proud of our community outreach programs. We offer Wellness Classes on a monthly basis, many of which are at no cost. In addition the Clinic's staff supports several national and local charities throughout the year. During 2007, our staff made donations to the following groups/organizations:

- American Cancer Society's Relay for Life in Crown Point
- Haven House
- Multiple Sclerosis Society of Indiana
- St. Joseph Soup Kitchen
- Northwest Indiana Food Bank
- MOMS (this group sends care packages to soldiers)
- St. Monica's Home

The Clinic would like to thank its staff for their generous contributions.
